Teams competing in the Team Performance Division must submit one video that includes a 30 second Hip Hop routine, a 30 second Jazz routine, a 30 second Pom routine as well as 30 seconds of technical skills (this may be numerous across the floor patterns or a choreographed piece). Only the technical skills segment may contain numerous edits. Split screens are not allowed. The speed of the performance may not be altered on the video. All team members do not need to be in each segment; however, at least seven (7) members must appear in the pom, jazz, and hip-hop segments of the video. All members on the video must be official, eligible team members at time of filming. Videos submitted must be of current year; footage from previous years is prohibited. Teams that qualify for Team Performance will automatically be qualified for the Jazz, Pom, and/or Hip-Hop Division. Videos submitted for qualification will not be viewed for legalities. A separate video must be sent for this purpose no later than (2) weeks prior to competition.

JAZZ, POM AND HIP HOP VIDEO REQUIREMENTS

Teams competing in the Jazz, Pom and/or Hip-Hop Division must submit, on video, a performance routine of any style, one minute and forty-five seconds (1:45) minimum in length (no editing or split screens). The style exhibited on the video is not required to match the division(s) in which the team registers. Teams that qualify with a Jazz, Pom or Hip-Hop video are qualified to compete in those divisions ONLY. Teams that qualify with a Jazz, Pom or Hip-Hop video do NOT automatically qualify for the Team Performance Division. The speed of the routine may not be altered through video editing. The team must be represented by AT LEAST seven (7) members. All members on the video must be official, eligible team members at time of taping. Videos submitted must be of current year; footage from previous years is prohibited. Videos submitted for qualification will not be viewed for legalities. A separate video must be sent for this purpose no later than two (2) weeks prior to competition.

EXCLUSIVITY POLICY

Due to media, sponsorship considerations, and administration concerns regarding school-based priorities, image and funding, teams that compete in the NCA & NDA Collegiate Cheer and Dance Championship may not participate in any other event at which a "College National Champion" title is awarded during the current school year. The only exception is for cheer and dance teams that compete in the NAIA Championship.

Further, teams may jeopardize their eligibility to compete in the NCA & NDA Collegiate Cheer and Dance Championship if they participate in a televised program or print media that portrays their team, school or general activity of collegiate cheer and/or dance in a negative manner. NCA & NDA must deem the program or material content reasonable and appropriate regarding performance integrity, safety, individual and school privacy and reputation, and overall image. Schools that desire to compete at Nationals and participate in such media (reality show or documentary, news articles, books, etc.) should consult their school legal counsel to develop an access license and consult with NCA & NDA in advance to pre-determine any possible conflicts of interest. The access license is a legal agreement that prohibits producers or publishers from including certain subject matters from being included in their media product, as well as grants the school officials the right to approve and/or reject final portrayal of their respective spirit squads that might be harmful or disrespectful to the school or spirit program.

ELIGIBILITY VERIFICATION

A Team Eligibility Form will be sent to all Coaches participating in an NCA & NDA Championship. One form must be filled out per team with each team member's name, student ID number, hours currently enrolled and years of completed eligibility. This form must be signed by the Coach as well as signed by the school's Registrar's Office and school Administrative Supervisor and returned to NCA & NDA at Check-In. Teams must meet the following eligibility requirements to participate in the NCA & NDA Collegiate Cheer and Dance Championship:

1. Each participating team member must be a current member of the team they are representing, and a full-time student or enrolled in a minimum of 9 credit hours at the institution they are representing. Graduating seniors and graduate students **must be enrolled in at least one (1) class at the time of the Championship**. Verification of eligibility will be required by the school's Registrar's Office and the program's administrative supervisor in addition to the coach. It will be the responsibility of these individuals to verify that all student-provided information and documentation is correct, valid, and meets all the school's eligibility requirements.
2. A student-athlete may only represent ONE (1) school in ONE (1) National Championship competition for each academic year. For example, a student-athlete may not compete for one school in January, transfer and compete for another school in April, nor compete with the same school in separate championships in the same academic year. The only exception is for cheer and dance teams that participate in the NAIA Championship.
3. A student-athlete may not compete in more than five (5) National Championships total (cheer, dance, Junior College, and/or 4-year college/university). **Athletes that compete in both the NCA/NDA Championship and the NAIA Championship in the same year are only charged with one (1) year of eligibility for that year.**
4. At the Junior College level, any student-athlete will only be eligible to compete in a maximum of three (3) National Championships during the course of his/her college career.
5. Eligibility verification for Individual participants such as Partner Stunt and Group Stunt will only apply if the athlete does not compete with a team during that same academic year (e.g. if an athlete only competes in NCA or UCA Partner Stunt any given year, that will count as one (1) year of eligibility used).
6. Once the team eligibility is complete, athletes are no longer eligible for Partner Stunt or Group Stunt unless it is in the same academic year (e.g. an athlete competes on a team at UCA in January to complete five (5) years of eligibility but is still eligible to compete in NCA Partner Stunt that same April, that concludes their total eligibility).
7. An alternate or injured student-athlete that does not take the competition floor will not be considered as a competing member and will not count towards the maximum of five (5) National Championships.
8. Any student-athlete that competed at either the UCA/UDA or NCA/NDA Championships in 2021 either in- person or virtually will NOT be charged a year of eligibility that year due to the pandemic.
9. Each team must always comply with the USA Cheer College Safety Rules.
10. Each cheer team must have a coach that is currently USA Cheer certified to compete. Proof of certification must be included with the Eligibility Form.
11. **All coaches, assistant coaches, trainers, choreographers, administrators, etc. wishing to access the practice or backstage areas with their teams must also complete either the USA Cheer Coach or USA Cheer Professional credentialing program which includes a USA Cheer background check. These can be found and completed online at USACheer.org.**

This will apply for any student-athlete competing at any one of the Varsity Spirit Collegiate Championships (UCA, UDA, NCA & NDA) that award National Champion titles as well as any other designated College National Championship. Teams violating these rules could forfeit their titles and rankings as well as be prohibited from entering any other Varsity Brands Championship the following year. For any clarification on these rules, please contact the event producer of the Championship you wish to attend.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

PERFORMANCE AREA

NCA Competitions comply with the NFHS and USA CHEER surface ruling that school-based programs may not compete on a spring floor. All permitted skills (stunts, pyramids, tumbling etc.) must be performed on the competition mat. All cheer teams competing in the NCA & NDA Collegiate Cheer and Dance Championship will perform on a 42' deep x 54' wide carpeted mat.

Poms, signs, flags, megaphones and/or banners may be placed or dropped outside the competition area by a team member. Objects cannot be thrown outside the competition floor. See Page 14 for information on Boundary Violations.

COLLEGIATE EXPECTATIONS

COLLEGIATE IMAGE

This category will be utilized to evaluate the overall representation by the team of its institution of higher education, the core values and standards that commonly exist and are mandated by such institution's administration, faculty, staff, alumni and student body. This evaluation will be based on, but not limited to the following:

SPORTSMANSHIP

The team and each participating member/coach should constantly display good sportsmanship throughout the entire performance regarding respect for themselves, other teams and the viewing audience. Teams should refrain from any taunting, bragging or suggestive expressions or gestures as well as discrimination of any nature.

PERFORMANCE INTEGRITY & SCHOOL REPRESENTATION

All aspects of the performance (music, choreography, skills, language, props, etc.) should represent the highest standards as expected by athletes and elite student body representatives at the collegiate level. All aspects of the performance should also be appropriate for a family viewing audience, as well as highlight the skills being performed in a safe and collegiate style manner

UNIFORM

In general, appropriate attire is required during officially designated practice times, performances and awards ceremonies. NCA reserves the right to make rulings and enforce compliance regarding any participant's attire. It is the combination of garments worn and the proper fit on each athlete that can deem an outfit or uniform appropriate or inappropriate, and this should be taken into consideration more so than the individual guidelines for each garment type outlined below. The following guidelines should assist in defining what is appropriate but should not be deemed a comprehensive and exclusive list. What is appropriate includes but is not limited to the list below.

FEMALE UNIFORM

- Standard shell, crop, or midriff top.
- No "bra top" style or size tops – material must fall at least one inch below the bra line.
- No extremely low-cut necklines.
- No excessively bare or backless style tops.
- Must be secured by straps or material over at least one shoulder or around the neck, no tube tops.
- Must completely cover briefs when feet are shoulder width apart AND, in the back, fall at least 1.5 inches below boy-short briefs or 2 inches below standard briefs. No excessively short or tight skirts. Skirts must fully cover the hips.
- No ultra-low-rise waistbands (no lower than 2 inches below navel) when worn in conjunction with a cropped or midriff baring top.

NOTE: Hair bows may negatively affect the overall collegiate image of the athletes and their performances. Hair bows may only be worn behind the top center of the head and may not have material close to the face at any time. Hair bows should be small to medium in size to not be a distraction from the performance. Violations of this rule during preliminary competition will result in a warning, and violations during final competition can result in a 1.0 "Collegiate Image" deduction from each Panel Judge. Photos may also be submitted to the NCA & NDA office in advance for pre-event rulings in the same manner as all other legality verifications.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

MALE UNIFORM

- Must be full torso length, covering shoulders to waist and/or the top of the uniform bottom in standing position.
- Must be short or long sleeves, covering at least midway between shoulder and elbow.
- If full length pants, must cover waist to feet.
- If shorts, must fall no higher than mid-thigh.

ALL

- **No risqué, sexually provocative or lingerie-looking or inspired uniform or garments**
- Garments/items should be secure to eliminate any possibility of “wardrobe malfunction”
- Appropriate undergarments must be worn
- Soft-soled athletic shoes must be worn while competing.

MUSIC

Deductions will be given for music or words unsuitable for family listening, which includes but is not limited to swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

CHOREOGRAPHY

All facets of a performance or routine, including choreography, music selection and outfitting (cheerleading and dance uniforms or costumes), should be suitable for family viewing and listening. In general, school performances, including but not limited to the actual routine, signs, cheers, chants and hand signals/gestures, should adhere to outfitting, performance and music guidelines and criteria in place and approved by the administration or institution to which the school team belongs. Outfitting for cheerleading performances should follow traditional dress standards. Routines, music and uniforms/ costumes for all team types should be appropriate for the age of the participants performing the routine.

NOTE: If you are concerned about the appropriateness of your music or choreography you should submit the section(s) in question to NCA for feedback. Please note that with multiple performances of a routine, NCA is not able to approve a specific movement due to the chance that the movement may be approved and then modified during competition. Any and all feedback from NCA is just that, feedback, and should be used with your discretion to ensure your team’s performance is appropriate for a family viewing audience.

ORDER OF PERFORMANCE

For Preliminary Competition, a team’s performance order will be determined by how they qualified and when they registered for the event. For Final Competition, teams will perform in reverse order of their preliminary ranking (e.g. teams finishing first in the Preliminary Competition will compete last in the Final Competition)

SPOTTER POLICY

NCA Spotters are provided for each team during the competition. If a team chooses to decline spotters during their performance, they must do so prior to taking the floor and spotters will remain on the back of the floor for the entirety of the performance.

NCA COLLEGE DEDUCTIONS AND VIOLATIONS CONTINUED

SAFETY VIOLATION 2.0/0.5

- USACheer College Rules violations- **2.0**
- Building Skills performed out of level- **2.0**
- Tumbling skills performed out of level. -**0.5**
- General USAcheer Safety Violations- **0.5**
- Performance error- **0.5**

BOUNDARY VIOLATION .25

The performance surface is defined as the 42' x 54' competition floor. The competition boundary is defined as the performance surface. A .25 deduction will be assessed per occurrence for an athlete that is completely out of bounds with both or any combination of these body parts: 2 feet, 2 hands, or any part of the seat or torso outside the competition boundary. **If a violation is assessed, judges' decisions are final and will not be reviewed.** If props are utilized in a routine these MAY be placed outside the performance surface. A participant must remain on the performance surface for the duration of the performance. Any participant who leaves the performance surface for any reason (other than those listed as a boundary violation) would receive a 1-point penalty.

All participants must remain on the performance area for the duration of the performance. Any not doing so would result in a 1.0 rules violation. A participant must noticeably step out of bounds with both feet for a boundary violation to occur. Props may be touching out of bounds without penalty, and a team member may touch a prop that is out of bounds. There will be a .25 deduction for each boundary violation.

TIME LIMIT VIOLATION .25/ 1.0

Teams that exceed division time limits are subject to the following deduction:

- 1-5 seconds over time will result in a .25 deduction.
- 6 or more seconds over time will result in a 1.0 deduction.

Routines that exceed the time limit run a risk of being assessed a deduction. Judges will use a stopwatch or similar device to measure the official time. Acknowledging the potential variance caused by human reaction speed and sound system time variations, judges will not issue a deduction until their stopwatch/clock shows a time that exceeds 3 seconds over the time limit. If a deduction is assessed and a review is requested, a violation will remain for any team with a performance that exceeds the time requirements outlined in the NCA School Rule Book.

DEDUCTIONS AND VIOLATIONS

NCA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

NCA COLLEGE GENERAL VIOLATIONS

INAPPROPRIATE CHOREOGRAPHY DEDUCTION 1.0

A deduction of 1.0 will be given for vulgar or suggestive choreography, which includes, but is not limited to, movements such as hip thrusting and inappropriate touching, gestures, hand/arm movements and signals, slapping, positioning of body parts and positioning to one another. Deductions will be given for music or words unsuitable for family listening, which includes, but is not limited to swear words and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing them with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

EXCESSIVE CELEBRATION 0.5

Teams should enter and exit the performance surface quickly before and following their routine at an event. Any entrance prior to the performance or exit following the performance in excess of 30 seconds would result in a deduction of .5

UNSPORTSMANLIKE CONDUCT DEDUCTION 2.0

When a coach is in discussion with an official, other coaches, athletes, and parents/spectators they must maintain proper professional conduct. Failing to do so will result in 1.0 deduction and removal of coach or disqualification. Includes the following:

1. Inappropriate and deliberate physical contact between athletes during the event
2. Abuse of equipment or any items associated with the event
3. Using language or a gesture that is obscene, offensive, or insulting
4. Using language or gestures that offend race, religion, color, descent or national or ethnic origin
5. Failing to perform a routine
6. Excessive appealing at AccuScore
7. Showing dissent towards scoring official decision by word or action
8. Threat of assault to an event representative
9. Public criticism of an event related incident or event official

DIVISION VIOLATIONS

If a team performs with a member participating in more than one Cheer division (crossover), the second and each subsequent team will receive a **5.0** deduction off their final score for each illegal participant (**maximum penalty is 10.0**). If a team does not meet the required minimum number of 10 performers, or exceeds the maximum number of performers, they will receive a **5.0** deduction for each violation. This violation will also apply to any team not meeting the required participation for the Game Day division.

Any deductions for mistakes, time violations, safety guideline or rules violations or inappropriate choreography/music will be subtracted from the FINAL averaged score. Thus, executing a “clean” routine is very important.

COLLEGIATE IMAGE VIOLATION

The panel judges may reduce a team's score in the Collegiate Image Category for perceived or suspected violations as agreed with the Safety Judge(s) but must note the reason for doing so on the team's score sheet. If the Safety Judge issues a warning, the Panel Judges should also reflect a reduction in the Collegiate Image Category and note the reason. Should the Scoring Official confirm compliance before the next performance, the Panel Judges should not reduce the score in the Collegiate Image Category for this purpose. Should the team not confirm compliance prior to the next performance(s), the Panel Judges should reflect the same or additional reductions in the Collegiate Image Category. These reductions must also be noted on the team's score sheet

2024 – 2025 NCA COLLEGE SCORING GUIDELINES – ADVANCED LARGE COED

NCA College judges will award scores based on the point ranges below when skills are performed by a majority of the team unless otherwise noted. Skills performed by less than a majority of the team will be awarded scores in a lower range.

***ALL SKILLS PERFORMED IN SINGLE SECTION MUST BE UNASSISTED**

“Unassisted” is defined as the stunt being supported by only one base the majority of time the stunt is sustained overhead in one position. In addition, the base must provide primary support throughout the entire transition (i.e., a group stunt may not throw a top person to a single base and receive unassisted credit)

For the 6.0-7.5 Stunt range ALL skills performed in one section MUST be UNASSISTED or the score will drop to the 4.5-6.0 range or lower. This includes any skills performed above majority or most requirement. Once within a range, COED divisions are first driven by Unassisted COED skills, degree of difficulty, Immediate single arm or leg skills, number of stunts, number of bases, variety of skills, pace of skills.

Pyramid Clarification- In pyramids where multiple top persons maneuver to the top of a 2-1/2 high pyramid would only count as one inverting/twisting unique transition.

5.0 Triple Jumps or Double Jumps plus a Single Jump, MUST include variety								

“Unassisted” is defined as the stunt being supported by only one base the majority of time the stunt is sustained overhead in one position. In addition, the base must provide primary support throughout the entire transition (i.e., a group stunt may not throw a top person to a single base and receive unassisted credit)

For the 4.0-5.0 Teams must demonstrate MAJORITY UNASSISTED Coed style skills performed in ONE section using the MAJORITY chart. Other assisted coed or group stunts may also be performed in this single section to showcase athlete participation. If less than a majority is performed unassisted, the score will remain in the 3.0-4.0 scoring range. Once within a range, COED divisions are first driven by Unassisted COED skills, degree of difficulty, Immediate single arm or leg skills, number of stunts/number of bases, variety of skills, pace of skills.

* STANDING & RUNNING TUMBLING: Synchronized is defined as originating together OR it involves the qualifying skill element occurring at the same time.

See INTERMEDIATE Stunt Progressions for list of Novice, Intermediate, Advanced ALL GIRL AND COED skills.

Pyramid Clarification- For a skill to be considered coed style for the range requirement, it must be a transition used for the range requirement. Basic load ins for the purpose of bracing will not be considered

Intermediate Rules

Teams Competing in the Intermediate Division must also adhere to USAcheer.org College Safety Rules in addition to the complete Intermediate Restrictions located in the NCA College Rulebook!

DANCE

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

ROUTINE REQUIREMENTS

1. Teams must have at least 7 members. Any person on the performance floor is considered a team member.
2. Teams competing in the Team Performance Division will perform a choreographed routine not to exceed 2 minutes and 15 seconds (2:15) to demonstrate their style and expertise. Teams competing in the Jazz, Pom and Hip Hop Divisions will perform a choreographed routine not to exceed 2 minutes (2:00) to demonstrate their style and expertise. Timing will begin with the first choreographed movement or note of the music. Timing will end with the last choreographed movement or note of the music, whichever comes last. Teams must exit the performance area immediately following the Routine.
3. Formal entrances which involve dance or technical skills are not permitted. Dancers should enter the performance area in a timely fashion. Entrances/exits will not be judged as part of the routine.
4. All performers (unless injured) must remain within the performance area throughout the entire performance. Dancers can only enter and exit through the designated entry and exit points.
5. Substitutions may be made in the event of any injury or other serious circumstance.
6. The team's name will be called twice: once as the team is on deck and once as the performing team.

PERFORMANCE AREA

All dance teams competing in the NCA & NDA Collegiate Cheer and Dance Championship will perform on Marley. Each panel will be 38' deep x 4'11" wide. Due to the outdoor location of Hip Hop Finals, the floor may become 'tacky' when performing with shoes that have more traction due to heat and humidity. Dance floor dimensions are as follows:

- Practice Room: 10 strips
- Ocean Center (All Prelims & Finals): 10 strips
- Band Shell (Hip Hop Finals): 10 strips

COLLEGIATE EXPECTATIONS

CHOREOGRAPHY

All facets of a performance or routine, including choreography, **costuming** and music selection should be suitable for family viewing and listening. Any music in which the appropriateness is questionable or with which uncertainty exists should be submitted to NDA for approval.

A deduction of .2 per violation, will be given for vulgar or suggestive choreography **or costuming**, which includes but is not limited to movements such as hip thrusting and inappropriate touching, slapping, positioning of body parts and positioning to one another. Deductions will be given for music or words unsuitable for family listening, which includes but is not limited to swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

Because multiple performances of a Routine when compared to one another will generally lack distinction, NDA is not able to approve with absoluteness the appropriateness of choreography (since movements can be easily modified, NDA could feasibly approve a particular movement when viewed on a video or in person, only to have it performed differently during Competition). However, choreography, if questionable, may be submitted to NDA for feedback.

MUSIC

Deductions will be given for music or words unsuitable for family listening, which includes but is not limited to swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

INTERRUPTION OF PERFORMANCE DUE TO MUSIC

In the event a technical error causes a team's music to be interrupted, the coach will have the opportunity to stop the performance and begin again immediately. It is recommended that coaches have backup music with them at the music table. Judging and timing will resume from the point at which the malfunction occurred as determined by the judges. In the event a music error caused by the coach occurs, the performance may be stopped and begun again immediately; however, timing of the routine will NOT be stopped, and, in most cases, a time penalty will occur. Judging will resume from the point at which the interruption occurred as determined by the judges.

DANCE COSTUME REQUIREMENTS

In general, appropriate attire is required during officially designated practice times, performances and awards ceremonies. NDA reserves the right to make rulings and enforce compliance regarding any participant's attire during these times. It is the combination of garments worn that can deem an outfit appropriate or inappropriate. This should be taken into consideration more so than the individual guidelines outlines below. Any costume in which the appropriateness is questionable should be submitted to NDA for approval.

Shoes, on both feet, are recommended but not required while on the performance surface. Please note that should dancers choose to wear shoes, anything with wheels is not allowed (example: roller skate, roller blades, Heelys, etc.). Wearing socks and or footed tights only is not allowed. Warning: Due to the outdoor location of Hip Hop Finals, the dance floor may become extremely hot. We recommend footwear conducive to performing on a hot surface. Jewelry as a part of a costume is allowed.

The following guidelines should assist in defining what is appropriate but should not be deemed a comprehensive and exclusive list. What is appropriate includes but is not limited to the list below.

No risqué, sexually provocative or lingerie-looking or inspired costumes or garments

Garments/items should be secure to eliminate any possibility of "wardrobe malfunction"

- Appropriate undergarments must be worn
- Exercise good judgment when using sheer material in the costume and use it in an appropriate fashion.
- No "bra" style or size tops
- No extremely low-cut necklines
- No excessively bare or backless costumes
- No "tube tops"
- Skirts and/or pants must cover the hips at the waistband
- Skirts must completely cover briefs when feet are shoulder width apart
- Briefs must completely cover the buttocks

UNIFORM DISTRACTIONS

The Legality Official, Head Judge or NDA Official reserves the right to stop a routine, assess a deduction, and/or disqualify a team due to a uniform distraction (e.g. garment not being securely fastened/attached, straps break, pants split, etc.). Each performer is required to take the necessary steps to avoid inappropriate exposure prior to the performance. Leaving the performance floor to adjust a uniform may result in a Rule Infraction assessable from a .1 to a .5 deduction or disqualification depending on the amount of distraction and/or inappropriate exposure. In the event that a uniform malfunction causes a team's routine to be interrupted during Final Competition, a decision will be made based on the specific situation whether or not there is sufficient time, and/or it is feasible for the team to perform the routine again. If performing again is not possible, scores will be based on the team's performance prior to the uniform malfunction.

EACH TEAM IS STRONGLY ENCOURAGED TO SEEK PRE-APPROVAL ON ANY QUESTIONABLE ITEMS. THESE ARE SUBJECTIVE MATTERS AND OPINIONS AND INTERPRETATIONS VARY, BUT IT WILL ULTIMATELY BE THE RESPONSIBILITY OF THE JUDGES TO DETERMINE A FINAL RULING IF NOT APPROVED IN ADVANCE. AS A SAFETY MEASURE, WE ENCOURAGE EACH TEAM TO BRING AN ALTERNATE, CONSERVATIVE COSTUME IN THE EVENT A WARNING OR PENALTY IS ASSESSED.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

PROPS

Poms, handheld props, and costuming may be used. Wearable and handheld items are allowed in all categories and can be removed and discarded from the body in a safe and controlled manner. If taken off and danced with, it becomes a prop. Standing items such as chairs, stools, ladders, etc. are not allowed. If you are unsure if your prop falls within the given definition, please contact the NDA office. Props may not be “stored” in the offstage wings of the performance space.

Please see Spirt Rally section on page 50 for Prop rules specific to Spirit Rally Division.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

COLLEGE DANCE DIVISIONS

All teams will be required to compete in Divisions according to NCAA or NAIA Football classifications. Schools that do not have football programs will compete in Divisions according to the school's NCAA or NAIA Basketball program classifications.

1. Every member of every team representing a school must meet NDA's current eligibility requirements.
2. Teams in these divisions must follow the NDA Collegiate Dance Safety Rules.
3. Teams are limited to a maximum of twenty participants and must have a minimum of seven participants. A .5 general rule deduction will be given for below the minimum participant number.
4. A team may not enter more than two (2) divisions, and a team may not compete the same routine in more than one division.
5. At the discretion of NDA, divisions within categories may be combined based upon the number of teams registered. (Example: Pom Division II & Pom Division III may be combined into Pom Open Division).
6. A dancer may not compete in more than two (2) division categories.
7. Teams from the same school can enter the same Division; however, only the top scoring team may advance to Finals should scores warrant.

NOTE: All Teams transitioning from one athletic division to another will remain in their CURRENT division until the respective school's administration provides documentation, they have completed their transition into the new division AND the football team (or basketball team if there is not a football team) is eligible to compete for post-season play in the new division.

Beginning in 2026, both cheer and dance teams at schools transitioning to a new athletic division (Example: moving from Division I to Division IA) will begin competing in that new division at our championship as soon as the school's football/basketball teams begin competing at the new division/conference level. There will no longer be a "transition period" allowed.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

SELECTION OF FINALISTS AND PERFORMANCE ORDER

The number of finalists in each Division will be determined by the number of teams registered in that Division prior to the start of the competition as well as allowable time available for Finals. Late or canceled registrations that occur once the competition begins will not affect the predetermined number of finalists. For Preliminary Competition, a team's performance order will be determined by how they qualified and when they registered for the event. For Final Competition, teams will perform in reverse order of their preliminary ranking (e.g. Teams finishing first in the Preliminary Competition will compete last in the Final Competition). Note: All teams in the Team Performance Divisions will advance to Finals.

COMPETITION SAFETY GUIDELINES

1. Competition will be held indoors. Hip Hop Finals could be held outdoors, so wind and/or sun could be a factor. Practice and prepare accordingly.
2. All staging, backdrops, special effects, costumes, or any items that may damage or otherwise alter the performance floor or environment, including the practice area and backstage, are prohibited, including but not limited to water, baby powder, feathers, sliding oil, fire, etc.

GENERAL SAFETY GUIDELINES

1. All teams must be supervised during all official functions by a qualified coach/instructor.
2. Coaches/Instructors must require proficiency before skill progression. Coaches must consider the dancer and team skill level with regard to proper performance placement.
3. All programs should have, and review, an emergency action plan in the event of an injury.
4. No technical skills should be performed when a coach is not present or providing direct supervision.
5. All practice sessions should be held in a location suitable for the activities of dance, and away from noise and distractions.
6. Warm-up and stretching should precede and conclude all practice sessions, pep rallies, games, competitions, performances, and other physical activities.
7. The performance surface should be taken into consideration before engaging in any technical aspect of dance. The performing area should be reasonably free of obstructions.
Dancers should not perform technical skills on:
 - concrete, asphalt, or any other hard, uncovered surface
 - wet surfaces
 - uneven surfaces
 - surfaces with obstructions

TUMBLING SKILLS (EXECUTED BY INDIVIDUALS)

1. Hip over-head rotation skills with hand support are not allowed while holding poms/props in the supporting hand. (Exception: Forward rolls and backward rolls are allowed).
 - a. The proper use of hands-free poms for hip over-head skills is allowed. *Please reference the Hands- Free Poms section for more details*
2. Hip over-head rotation skills with hand support that are not airborne in approach are limited to 3 connected skills. (Example: 3 consecutive headsprings are allowed; 4 are not allowed).
3. Hip over-head rotation skills with hand support that are airborne in approach OR hip over-head rotation skills without hand support are allowed provided the following:
 - a. May not connect to any other hip over-head rotation skill
 - i. Clarification: **This includes ALL** hip over-head rotation skills with or without hand support, airborne or nonairborne.
 - b. Involves no more than one twisting transition
 - c. Standing full twisting back flip will not be permitted
 - d. Clarification: **Dive rolls are allowed if peak does not surpass shoulder height, and the dancer first bears weight on the hand(s) before head/neck/shoulders make contact with performance surface.**

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

DEDUCTIONS

Scores for each caption will range from 0-10, including tenths of points (i.e. 5.5, 9.2, etc.). The maximum number of points on each score sheet does not total 100, so the scores will be entered into a computer that will add the raw totals, average them, and then convert the average score into a 100 point scale. All penalties will be deducted from the converted 100 point scale score to get the FINAL SCORE.

MAJOR FALLS

Serious falls incurred by one or more dancers that could result in injury or falls from a lift to the performance surface will result in a .5 deduction for each incident. Note: these falls are typically a result of dancers performing skills beyond their proficiency.

TIME LIMIT VIOLATIONS

- Team Performance Division time limit = 2 minutes and 15 seconds (2:15)
- Jazz, Pom and Hip Hop Division time limit = 2 minutes (2:00)

Time limit violations (for both the music portion and/or total Routine time) are as follows:

- 3 - 5 seconds over time will result in a .5 deduction
- 6 - 10 seconds over time will result in a 1.5 deduction
- 11 or more seconds over time will result in a 2.5 deduction

A two (2) second buffer is allowed for human and/or mechanical error.

A deduction will be given for EACH safety/general competition rule violation. The point value of this deduction will range from .25 to 2.5, depending upon the severity of the violation (i.e. a .25 penalty will be assessed for non-costume jewelry). Safety Violations are in effect until the team leaves the performance floor. Please read and study the appropriate NDA Safety Rules section to ensure your team does not have any safety violations. NDA reserves the right to make decisions on any violations not covered in this book and interpretation of rules covered. Deductions and/or penalties are assessed at the sole discretion of the judges based on the criteria set forth in this book. All judges' decisions are final. Ties will not be broken. Tying teams will share the title and/or ranking.

Note: Legality Officials may issue warnings for perceived or possible violations during preliminary performance. Teams must then verify compliance with the Judge Liaison or make appropriate changes as approved by the Judge Liaison prior to the next performance. Legality Officials will not issue any deductions for corrected warnings during the remaining performances. DEDUCTIONS WILL BE ISSUED IN PRELIMS FOR BLATANT VIOLATIONS.

Any deductions for time violations, safety/general rule violations, inappropriate choreography/music or costuming will be subtracted from the FINAL averaged score.

Appropriate difficulty level is considered for every caption, with the exception of Collegiate Image and Performance Impression. Specific elements performed that are not listed in one of the following captions will be placed in corresponding captions at the discretion of the judges.

Zero points will be given in a caption if elements for that particular caption are not executed.

COLLEGIATE IMAGE

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

SCORING

Game Day is NOT a Cheer and/or Dance competition, but rather the coordination of multiple school spirit groups working in unison to promote and engage crowd participation in support of the school's athletic teams. While the incorporation of cheer and/or dance skills do consider into the scoring, so does the opinion of the judges as to how applicable such skills are to a live Game Day scenario and environment. Much of the scoring is subjective in terms of overall performance development and implementation, as well as the overall crowd appeal and entertainment value. Judging Panels will consist of experts from both a cheer, dance and band background.

BAND CHANT(S)

The Band Chant performance should consist of at least one (1) traditional school band chant. Band chants should promote crowd response and participation. All spirit groups should be performing in a coordinated fashion utilizing crowd-response props and visual tools. Skill incorporations should require minimal formation transitions and be conducive to spontaneous start in a real Game Day or Pep Rally situation. Motion technique, energy level, facial expressions, body language and crowd interaction are all key factors in the scoring of this category. There should be an obvious distinction between the school Band Chant(s) and the school Fight Song for scoring purposes. Teams may be required to provide specific timing designations if these music segments run together.

CROWD LEADING

The Crowd-Leading section should be without music but may be accompanied by onstage drum or instrument cadence. Formation and level changes are relevant in the section as desired or required for visual affect, and all crowd-leading props should be incorporated (signs, poms, flags, megaphones). Again, it is important for all spirit groups to be performing in a coordinated fashion to provide a structured appearance that is visually appealing. The focus should be to create a simple and easy to understand method for crowd response while utilizing body language, eye contact, energy level and crowd interaction skills in addition to visual props.

FIGHT SONG

The Fight Song segment should be the school's traditional fight song at its normal pace and length as it would be played in a Game Day or pep rally setting. Cheer and dance performers should begin in traditional sideline formation displaying a traditional Game Day fight song performance that complement each other in choreography. Transitions should be limited for visual affect, incorporations or the ending portion of the fight song for the conclusion. Skills should be easily incorporated at a quick pace (1-2 8-counts) and appear effortless. Synchronized skills would add value when performed with a high level of execution. Motion technique, facial expressions and eye contact, as well as overall execution and performance appeal will factor into the scoring in this section. The school fight song is commonly played numerous times during an athletic event, so the design and performance should be conducive to spontaneous and repetitive execution with ease. There should be an obvious distinction between the school Band Chant(s) and the school Fight Song for scoring purposes. Teams may be required to provide specific timing designations if these music segments run together.

1. Timing will begin with the first word or sound of music to start the performance.
2. Teams may stage props immediately following the conclusion of the team before them, but this staging must so that it does not disrupt the flow of the competition and cause any delay. Outdoor elements (wind and sun) should be taken into consideration when determining how props will be handled.
3. Each performance must consist of the following performance sections; however you may determine the order of the sections.

CROWD LEADING SECTION

1. Traditional school cheers and/or chants.
2. Incorporation of props such as signs, poms, megaphones, flags, etc.
3. No recorded music or voice enhancement is allowed. Onstage instruments are allowed to help set and enhance the rhythm and beats.
4. Only trained cheer and dance members may perform skill incorporations.

COLLEGE MASCOT GENERAL SAFETY RULES

1. Be sure that the character is tailored to meet health and safety needs. Your character should be well ventilated, so heat can escape. The costume should be designed so that it is easy to remove the head, hands, and feet. Removing these items will allow for proper aeration and cooling breaks.
2. Take breaks approximately every 15-20 minutes. Prior to each game you should set-up a private room (or area out of view by anyone) to which you can retreat and take breaks. Make sure to have plenty of fluids available. Ideally, drink water before, during and after your appearances.
3. Always have a trailer (a person responsible to stay near you) to help with crowd control. When you are in a familiar area you may be able to maneuver quite well. However, many mascots have poor vision. A trailer not only helps you to maneuver more safely, but also can keep crowds from getting out of control (especially in open festivals, malls, and parade situations).
4. Be prepared if you begin to feel extremely overheated. Have a plan, including an emergency signal with your coach, squad, and trainer. Do not get out of character immediately after an appearance (especially if in air conditioning) or you may cool down
5. too quickly. Walk around in costume and gain control of your breathing, then remove the head, hands, and feet. Sip fluids, recline, and if necessary, place ice packs on the back of your neck and hands. Note: Prevent heat exhaustion and related symptoms by building tolerance, stretching properly, drinking fluids, and following a proper diet.
6. Dress-up before you dress-out. During an appearance, your body heat can rise in excess of 100 degrees (especially during fall football games). To prepare your body for this increase in temperature, you should wear sweats or warm clothing prior to each appearance. Eventually, your body temperature will automatically rise before each appearance and you may experience a chill.

COLLEGE COMPETITION RULES

NCA & NDA RESERVES THE RIGHT TO BE THE ARBITRATOR AND INTERPRETER OF ALL RULES COVERED IN THIS DOCUMENT.

7. Be aware of your limits when performing. Be aware of the limitations that the character places on you. Pay attention to obstacles and people around you to prevent injury. When walking into a new area, scan the layout and try to memorize the location of obstacles. Also, count stairs as you go; chances are you will use those stairs again.
8. Protect your character and protect your image. Use common sense not to become too reckless while in character. This could result in putting yourself and your audience in danger. Never let an untrained person perform for you. Protect your image through regular maintenance of your character. Always make sure it is clean and in good condition. Avoid doing stunts that may cause damage. Your school, in many cases, has invested a great deal of money in your mascot costume.
