

College Coaches,

First of all, many thanks to all of you for the opportunity to work with you and your teams this past summer at our college Summer Camps. We also appreciate those of you who have scheduled for our staff to come to your campus this fall for one of our Elite Home Camps. We still have availability for those wanting to do an Elite Home Camp before December 31st and receive your Bronze Paid Bid to Nationals in April!

We are taking this opportunity to share with you the College Nationals Changes & Updates that we reviewed with coaches at our 2024 College Overnight Camps and that was included in the 2024 College Coaches Manual. Please review these carefully and always feel free to reach out to us with any questions. Our 2024-2025 College Rule Book will be revised and online soon, so please be sure to review it carefully as well.

NATIONALS UPDATES

Best wishes for the fall semester, and we look forward to seeing you all in beautiful Daytona Beach next spring!

Cheers!

Bill Boggs
Sr. Vice President
Director of NCA/NDA College Programs
