

Everyone attending a 2024 summer camp (some exclusions apply) will complete a digital waiver, as opposed to a physical waiver.

Here's what you need to know

- The link to the waiver is available on your [myVarsity account](#). You should only share the link with attendees assigned to the specific registration number since the form's information is unique to each specific team and camp.
- You do not need to complete these waivers immediately. You can do this closer to your camp date, but recommend they be completed at least 3 weeks prior to camp.
- If you change your camp dates, camp location, brand, or camp activity type, a new waiver link will generate.

Tracking Your Team's Digital Waivers

- You will be responsible for sharing your team's waiver link with parents/ guardians, athletes 18 years of age and older, and other adults attending camp.
- Simply copy the waiver link located on your myVarsity Camp Registration.
- Paste the link in your email or BAND message to parents.

You will also be able to see the names of all camp attendees who have completed their waivers on your [myVarsity account](#) and track the total waiver count.

Varsity Spirit is committed to continuous improvement to make sure you have the tools and resources needed to succeed this season. For additional questions about the new and improved digital waivers process, please contact [your State Director](#).
