

Please note: This waiver replaces the paper waiver from prior seasons.

Here's what you need to know

- The link to the waiver is available on your [myVarsity account](#). You should only share the link with attendees assigned to the specific registration number since the form's information is unique to each specific team and competition.
- You do not need to complete these waivers immediately. You can do this closer to your event date, but recommend they be completed at least 3 weeks prior.

Tracking Your Team's Digital Waivers

- You will be responsible for sharing the link with parents/ guardians, athletes 18 years of age and older, and other adults attending that the link applies to.
- Simply copy the waiver link located on your myVarsity Competition Registration.
- Paste the link in your email or BAND message to parents.

You will also be able to see the names of all attendees who have completed their waivers on your [myVarsity account](#) and track the total waiver count.

Varsity Spirit is committed to continuous improvement to make sure you have the tools and resources needed to succeed this season. For additional questions about the new and improved digital waivers process, please contact your Registration Specialist.
