## PARK RESERVATIONS

Each guest on your event registration will have their own unique ticket number. From here, simply create an account via My Disney Experience to link your park hopper tickets! Need help linking your park passes? [CLICK HERE](#) for step-by-step instructions to link your tickets!

Once you have linked your ticket numbers, it is time to make your Theme Park reservations! Simply log into your My Disney Experience account and select the dates and Theme Parks you wish to visit. To enter a Theme Park, both a reservation and valid admission for the same Park on the same date are required. Please note that reservations are limited in capacity, subject to availability and are not guaranteed until confirmed. If the first park you would like to attend reaches capacity, you can make a reservation for another park and then “hop” to your top choice after going to your first park. *Park availability is very limited and Varsity Spirit will not be able to assist with park reservations.*
